

FORMULA 1™ MONACO GRAND PRIX MONTE CARLO 26.05. – 27.05.2012

Terrace Beau Rivage

The **Monaco race track** around the impressive Casino is one of only three temporary street circuits on the Formula One calendar.

The city of Monaco gives the race a breathtaking backdrop. As the circuit is located in the heart of the city the view from normal grandstands is naturally worse than on permanent race tracks.

With our **apartment** in the **Beau Rivage**, 6th floor we offer the opportunity to watch a big part of the circuit in the harbour area.

As tickets for apartments used to be very expensive we try to offer an alternative between normal grandstand tickets and expensive apartment tickets.

The building Beau Rivage is located on Avenue `D Ostende on the straight from the first corner up the hill to the Casino.

The following areas can be seen :

- Straight from the tunnel to the chicane – track in front of grandstand K – swimming pool area
- End of start-finish straight
- Exit of the St. Devote corner
- Straight up to the Casino
- TV screen will be in the apartment

The following services are available only on a cash bar system:
